## Solid Colors

Bring metal grains to life with an infusion of color. Make a statement with a bold hue or a sophisticated neutral. Need a specific color? Send us a Pantone swatch and we will find a match!

# Custom Printed

Available in Gloss (SMG), Matte (SMM) and White (SMW) finishes.

Indoor and Outdoor Custom Retail Signage.

# Brand Recognition

In business, brand recognition is the name of the game. Transform your interior space with custom HD panels featuring your logo, photography or unique patterns to tell customers who you are. In this era of online shopping and digital storefronts, bold statements make your retail space memorable and a place where your customers like to shop. Define your space with custom cabinets and fixtures faced in durable, unforgettable textured aluminum.

## Redefine Corporate Spaces

Corporate spaces just became more unique with Digital Infusion. Bring your lobby, conference room or employee lounge to life with high-resolution imagery. Ignite the creativity of your clients and employees with an exciting, bold atmosphere.

Sheet Size:

Width: 48 7/16"

Length: 120 11/16"

Colors:

Copper

Silver

Gold

Price: \$8.00 /ft<sup>2</sup>

### E-Series

Specifications:

Thickness:

0.9mm

Sheet Size:

Width: 48 1/2"

Length: 96 1/2"

Colors:

Copper

Silver

Bronze

Price: \$8.00 /ft<sup>2</sup>

## What are Textured Metals?

Aluminum sheets with beautifully embossed textures and an easy-to-work-with laminate backer. Our selection of beautifully subtle textures is the perfect combination of natural elements and geometry allowing for a wide range of applications and environments. These embossed surfaces create visual interest by adding a new layer of texture and dimension.

## What is Metal Laminate?

Phenolic-backed, aluminum sheets with a beautiful brushed texture. These light weight, durable metals provide a new level of sophistication to any design and their laminate backer makes installation similar to that of a traditional laminate.

### Specifications:

Thickness: 0.8mm  
Available in 2 sizes:  
1230mm x 2450mm  
1310mm x 3060mm

Price: \$2.50-\$3.50 /ft<sup>2</sup>

## What is Etched Stainless?

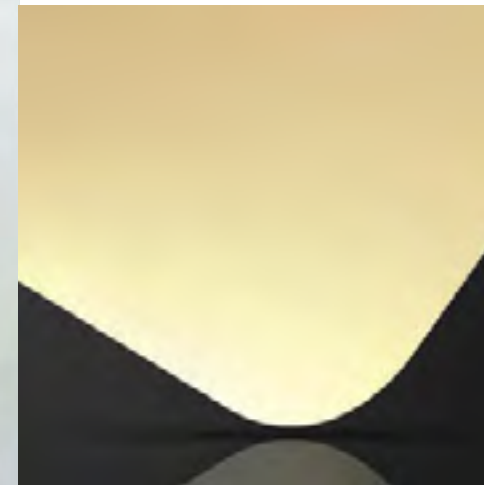

Etched Stainless steel panels provide superior impact resistance and is particularly useful in hospitals and food service areas because it is easy to sanitize and corrosion-resistant. Available in three geometric patterns for indoor and outdoor applications.

### Specifications:

Thickness: 1.0mm  
Sheet Size:  
1250mm x 2464mm
